The first stop of the tour awaits you in the **Medeo** Gorge, where in the wonderful mountains of Trans-Ili Alatau the largest high mountain skating rink in the world is located as well as the huge dam, protecting the city from destructive mudflows formed on the tops of the western Tien Shan. Next destination is Chimbulak ski resort, located at an altitude of 2230 meters above sea level. It is very popular for its mild climate, large quantity of sunny days and snow through the winter and remarkable scenery of mountain ranges.

**Chimbulak** has its own special atmosphere. Here you can see the skiers who like ironed track as well as the snowboarders who prefer extreme downhill with breath taking jumps and turns. On sunny days Chimbulak gathers together thousands of visitors. Only professional skiers climb here since the descent from the pass is too steep. Also alpinists start their climbing from this point. Only the stars are higher...
